

Rush Jackson U11 Boys breezed through their first two games of the Kingdom Cup, 6-1 win vs Vardar West and 7-1 vs Portage SC. The closed out a 1-0 victory versus a tough Kingdom 04 Black team to secure a place in the finals. The team fought hard after going 1-0 on an own goal to take a 2-1 lead into halftime against Marshall. A late goal by Marshall lead to Overtime where due to wet conditions we were unlucky to secure a loose ball and Marshall took advantage to win on Golden Goal. The boys were disappointed to lose but the parents and myself were proud of how they played, responded, and carried themselves. They displayed what it means to play for the Rush in times of adversity. A very special group that does things the right way!
